

## Liability Defense

The Liability Defense team at Roetzel delivers experienced and assertive legal representation for lawsuits involving corporations of all sizes, insurance carriers, financial service providers, construction companies, retail entities, and transportation providers in the trucking, bus, rail, and automotive sectors. Our attorneys determine the best course of action for clients, whether it involves compliance, trial preparation, or alternative dispute resolution.

We offer proactive representation by developing and implementing immediate response protocols nationwide to address potential legal issues before they arise. Our trial attorneys possess extensive expertise across various disciplines essential to effective risk management. When needed, we leverage the resources and integrated capabilities of attorneys from other practice areas within our firm to provide a comprehensive approach to each case or legal issue.
