

Roetzel & Andress Named to 2022 “Best Law Firms” List

AKRON, Ohio (November 4, 2021) – Roetzel & Andress is proud to announce that the firm has been named to the 2022 “Best Law Firms” list by U.S. News & World Report and Best Lawyers®. Roetzel is ranked nationally in six practice areas and regionally in 40 practice areas.

The 2022 “Best Law Firms” rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in their field and review of additional information provided by law firms as part of the formal submission process.

To be eligible for a ranking in a particular practice area and metropolitan region, a law firm must have at least one lawyer who is included in The Best Lawyers in America® in that particular practice area and metro region. Roetzel far exceeded this requirement with 75 attorneys recognized by The Best Lawyers in America® for 2022.

Ranked firms, presented in tiers, are listed on a national and/or metropolitan scale. Receiving a tier designation reflects the high level of respect a firm has earned among other leading lawyers and clients in the same communities and the same practice areas for its abilities, its professionalism and its integrity.
