

60 Roetzel & Andress LPA Attorneys Named to 2016 Best Lawyers® in America List

Roetzel & Andress LPA is pleased to announce that 60 of its lawyers have been named to the 2016 Edition of Best Lawyers®, the oldest and most respected peer-review publication in the legal profession.

Best Lawyers has published their list for over three decades, earning the respect of the profession, the media, and the public as the most reliable, unbiased source of legal referrals. Its first international list was published in 2006 and since then has grown to provide lists in over 65 countries.

In order to be named in *Best Lawyers®*, an attorney must be nominated by another attorney or by a client. The attorney's name will then appear on a ballot for a specific practice area and geographical region. Nearly five million votes are cast during the selection process. Pending positive evaluation, and good standing with the Bar Association, they may be included in the *Best Lawyers* list. *Corporate Counsel* magazine has called *Best Lawyers* "the most respected referral list of attorneys in practice."

About Best Lawyers®

Since it was first published in 1983, Best Lawyers® has become universally regarded as the definitive guide to legal excellence. Best Lawyers lists are compiled based on an exhaustive peer-review evaluation. Over 79,000 leading attorneys globally are eligible to vote, and we have received more than 12 million votes to date on the legal abilities of other lawyers based on their specific practice areas around the world. For the 2016 Edition of The Best Lawyers in America®, 6.7 million votes were analyzed, which resulted in more than 55,000 leading lawyers being included in the new edition. Lawyers are not required or allowed to pay a fee to be listed; therefore inclusion in Best Lawyers is considered a singular honor. Corporate Counsel magazine has called Best Lawyers "the most respected referral list of attorneys in practice."
