

Roetzel's Paul A. Giordano Named as one of Florida's Legal Elite

Roetzel is pleased to announce that partner **Paul A. Giordano** has been selected as one of Florida's "Legal Elite" for Bankruptcy & Workout by *Florida Trend* magazine.

"We are very proud of Paul and are gratified that his legal skills in bankruptcies and workouts are recognized by his peers," said **Beverly Grady**, Partner-in-Charge of the firm's Fort Myers office.

All lawyers admitted to the Florida Bar were asked to name attorneys whom they hold in the highest regard or would recommend to others. Each nominated lawyer was scored through a multi-level process that included the number of votes received, an examination of Florida Bar membership status and a review by a panel of previous Legal Elite winners.

The resulting lists represent fewer than 2% of the active Florida Bar members who practice in Florida.

Mr. Giordano, currently serving as the Secretary of the Southwest Florida Bankruptcy Professionals Association, handles a variety of business and commercial litigation, with a special focus on bankruptcy and creditors' rights, partnership disputes, commercial foreclosures, contract and corporate disputes, and general and professional liability lawsuits. He also has experience in insurance coverage litigation, and jury and non-jury trial practice.

Mr. Giordano earned his J.D. from the University of Florida Levin College of Law and his undergraduate degree from the University of Florida. He holds an AV® Preeminent™ rating from *Martindale-Hubbell Law Directory* and is designated a "Florida Rising Star" by *Florida Super Lawyers* magazine (2011-2013).
