

Ohio Industrial Commission Suspends Upcoming Hearings

By Douglas E. Spiker

The Ohio Industrial Commission has suspended all hearings scheduled for Monday and Tuesday (March 16 and 17). Effective Wednesday, March 18, 2020, the IC has indicated they will be conducting hearings via telephone. The IC is still working on the logistical issues involved with this, however, they have indicated that they will be “liberally construing continuance requests”. Questions regarding, court reporters, interpretive services, phone numbers, etc. are all being discussed and when additional information becomes available we will advise.

In the meantime, do not hesitate to contact any of the listed Roetzel attorneys with questions and/or concerns.
