

Andrew Clott Named a 2023 “Rising Star” by Super Lawyers Magazine

CHICAGO (January 24, 2023) — Roetzel & Andress is pleased to announce attorney Andrew Clott has been selected as a Rising Star in the 2023 issue of Illinois *Super Lawyers* magazine. It is Clott's first time being included in the publication.

Super Lawyers, part of Thomson Reuters, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. These annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area. No more than five percent of the lawyers in Illinois are selected by *Super Lawyers* to receive this distinction, and no more than 2.5% of attorneys in each state are selected to the Rising Stars lists.

In his law practice, Clott handles complex disputes involving the formation and dissolution of business organizations, contractual disputes, and shareholder derivative claims. He also has significant experience litigating intentional tort claims, including defamation and false light, breach of fiduciary duty, and fraudulent misrepresentation.

Clott's clients include large businesses, directors, shareholders, corporate officers, and he has represented municipal governmental entities, insurers, and individuals. He has extensive experience litigating federal and state court matters and advocating for clients before judges, juries, and arbitrators.
